## Per- And Polyfluoroalkyl Substances (PFAS) Statement

At Wakefield Thermal, we are committed to the health and safety of our customers and the environment. We want to assure you that, to the best of our knowledge, no per- and polyfluoroalkyl substances (PFAS) are intentionally added to any of our products.

We adhere to strict manufacturing protocols and industry standards to ensure our products are free from harmful substances. Our team continuously monitors developments in chemical safety and works closely with suppliers to guarantee compliance with all relevant regulations.

Your trust is paramount to us, and we remain dedicated to transparency and excellence in every aspect of our operations. If you have any questions or concerns, please feel free to reach out.

Thank you for choosing Wakefield Thermal.

Sincerely,

*Richard J Deshaies*
